

ECC, Dwarka

Table of Contents for Tender Document

1.	Part 1 : Request for Qualification cum Proposal	1-103
2.	Part 2 : Volume 1.1 – EPC Agreement	1-143
3.	Part 2 : Volume 1.2 – EPC Schedules	Schedule A to S as below
	Schedule – A : Site of the project	
	Annexure-1 - Site, Site Survey Plan and Approved Master Plan	4
	Annexure-2 - Land Details	1
	Annexure-3 - Environmental Clearance (EC)	1-9
	Schedule – B : Development of the Project (Exhibition, Convention Centre and Trunk Infrastructure)	
	Annexure-1- Broad scope of works including Project Brief & Project facilities	1-36
	Schedule – C : Project Facilities	
	This is incorporated in the Scope of works in Schedule-B Annexure-1	
	Schedule – D : Specifications & Standards	
	Annexure-1 : Design Basis Reports	1-76
	Architectural and finishing works design basis report (Included in the Design Intent Report)	
	Structural works design basis report	
	Electrical works design basis report	
	HVAC Works design basis report	
	Ventilation Works design basis report	
	Plumbing (Sewerage, Storm, Water & Waste water) works design basis report	
	Irrigation System design basis report	
	Fire-fighting works and requirement design basis report	
	HSD works design basis report	
	ICT and AV systems design basis report	
	Pneumatic Solid waste management design basis report	
	Fire detection alarms system design basis report	
	Building Management System and Security system requirement design basis report	
	Rain Water Harvesting Facilities design basis report	
	IGBC campus Platinum rating design basis report	
	Infrastructure (Road, Pavements & Pathways) design basis report	
	Trunk Utility Tunnel design basis report	

	Landscape (Hard & Softscape) and Horticulture design basis report (Included in the Landscape Design Intent Report)	
	Lighting works design basis report	
	Metro station and line integration plan within site (This is mentioned in the Scope of Works)	
	Annexure-2 : Technical Specifications	
	Architectural and Finishing works Specifications	1-243
	Structural works Specifications	1-135
	Electrical works Specifications Building Management System and Security system requirements Specifications (Included in Electrical Works Technical Specifications)	1-366
	HVAC works Specifications	1-191
	Ventilation works Specifications	1-21
	Plumbing (Sewerage, Storm, Water & Waste water) works Specifications	1-68
	Irrigation System Specs	1-11
	Fire-fighting works and requirements Specifications	1-54
	HSD works Specifications	1-17
	ICT and AV systems Specifications	1-482
	Pneumatic Solid waste management Specifications	1-12
	Fire detection alarms system Specifications	1-43
	Rain Water Harvesting Specifications	1-4
	IGBC campus Platinum Rating Guidelines	1-114
	Infrastructure (Road, Pavements & Pathways) Specifications	1-9
	Trunk Utility Tunnel Specifications	1-3
	Landscape (Hard & Softscape) and Horticulture Specifications	1-13
	Lighting works Specifications	1-4
	List of approved makes	1-41
	Geo-technical investigation report	1-72
	Annexure-3 : Design Intent	
	Master plan	1-72
	Landscape	1-157
	Structural Engineering	1-19
	Signage	1-34
	ICT	1-42
	Building Engineering	1-42
	Transportation Planning	1-104
	Solid Waste Management	1-33
	Exhibition Halls & Grand Foyer 1 and 2	1-289
	Convention Centre	1-272
	Special Items	1-81
	Lighting System	1-54
	Stage System	1-51
	Sustainability guidelines	1-184
	Acoustics	1-31

	Schedule – E : Maintenance requirements	1-202
	Schedule – F : Applicable permits	
	Schedule – G : Form of Bank Guarantees	
	Schedule – H : Contract price weightages	
	Schedule – I : Drawings (Refer to Part 2 Vol 1.3. Tender Drawings)	
	Schedule – J : Project Completion Schedule	
	Schedule – K : Test on Completion	
	Schedule – L : Provisional Certificate	
	Schedule – M : Payment reduction for non-complaint	
	Schedule – N : Selection of Employer’s Engineer	
	Schedule – O : Forms for Payment statement	
	Schedule – P : Insurance	
	Schedule – Q : 3D BIM requirements	
	Schedule – R : Guideline for Health Safety & Environment plan	
	Schedule – S : Project management requirements	
4.	Part 2 : Volume 1.3 : Tender Drawings	
	00. List of Tender Drawings	19 Pages
	01. Architectural drawings	63 dwgs
	02. Landscaping drawings	76 dwgs
	03. Master plan drawings	40 dwgs
	04. Electrical, ICT and AV systems	35 dwgs
	05. Fire-fighting drawings	32 dwgs
	06. HVAC drawings	78 dwgs
	07. Solid waste drawings	07 dwgs
	08. Plumbing system drawings	55 dwgs
	09. Structural drawings	55 dwgs
	010. Transportation drawings	25 dwgs
	011. Fire Alarm drawings	102 dwgs
