## National Industrial Corridor Development Programme

India's pioneering infrastructure programme with  
plug & play model converging next-generation technologies.

**11** Corridors | **32** Projects | **4** Phases

# INDIA

LAND OF GREENFIELD SMART CITIES

## ABOUT PROGRAMME

National Industrial Corridor Development Programme is India's pioneering infrastructure programme aiming to develop new industrial cities as "Smart Cities" and converging next generation technologies across infrastructure sectors which can compete with the best manufacturing and investment destinations in the world. The same will create employment opportunities and economic growth leading to overall socio-economic development.

On 30th December 2020, Cabinet Committee of Economic Affairs (CCEA) had approved the development of 11 (Eleven) Industrial Corridors with 32 nodes/projects proposed to be developed in 04 phases by 2024-25. Out of the 32 projects, trunk infrastructure activities have been completed at Integrated Industrial Township (IITGN) at Greater Noida (747 acre), Uttar Pradesh and Integrated Industrial Township (IITVU) at Vikram Udyogpuri (1,100

acre), Ujjain in Madhya Pradesh, Dholera Special Investment Region (DSIR) (22.5 sq. km), Gujarat and Shendra Bidkin Industrial Area (AURIC) (18.55 sq. km), Aurangabad. Total 232 plots admeasuring nearly 1208 acre have been allotted till date with anchor investors like HYOSUNG (South Korea), NLMK (Russia), HAIER (China), TATA Chemicals, Piramal Pharma & AMUL attracting a combined investment of Rs. 18,303 crore.

**DHOLERA SPECIAL INVESTMENT REGION  
GUJARAT**

Dholera Special Investment Region (DSIR) is a greenfield industrial city planned and located approximately 100 km South West of Ahmedabad. Dholera spans an area of approximately 920 sq km and comprises a developable area of 422 sq km. It is strategically located between the industrial cities of Ahmedabad, Vadodara, Rajkot and Bhavnagar.

Dholera's immediate city development area is approximately 5,600 acres. It is envisaged to be a world-class destination with excellent infrastructure. The city will provide opportunities for the setting up of manufacturing units, while also aiming to provide an environment to work, live, learn and play. Dholera SIR will be a role model for future cities in India.

# The Golden Address

SHENDRA BIDKIN INDUSTRIAL AREA  
AURANGABAD

Aurangabad Industrial City (AURIC) is one of India's first greenfield industrial Smart Cities planned to perfection across an area of 10,000 acres in Maharashtra State, on the outskirts of Aurangabad. The new integrated industrial township is a congregation of office spaces, residences, hotels, large & small format retail, hospitals, schools, parks, entertainment hubs and other utilities. 60% of the total land has been utilized for industrial purposes, while 40% is for residential, commercial institutions, open spaces, and social-cultural amenities. The city will fuel tremendous economic growth and create a thriving, vibrant community to live, work and play.
